April 2026

DISCLAIMER

- The purpose of this presentation is purely informative and should not be considered as a service or offer of any financial product, service or advice, nor should it be interpreted as, an offer to sell or exchange or acquire, or an invitation for offers to buy securities issued by Banco BPI ("BPI") or any of the companies mentioned herein. The information contained herein is subject to, and must be read in conjunction with, all other publicly available information. Any person at any time acquiring securities must do so only on the basis of such person's own judgment as to the merits or the suitability of the securities for its purpose and only on such information as is contained in such public information set out in the relevant documentation filed by the issuer, having taken all such professional or other advice as it considers necessary or appropriate in the circumstances and not in reliance on the information contained in this presentation.
- BPI cautions that this presentation might contain forward-looking statements concerning the development of its business and economic performance. While these statements are based on BPI's current projections, judgments and future expectations concerning the development of the Bank's business, a number of risks, uncertainties and other important factors could cause actual developments and results to differ materially from BPI's expectations. Such factors include, but are not limited to the market general situation, macroeconomic factors, regulatory, political or government guidelines and trends, movements in domestic and international securities markets, currency exchange rates and interest rates, changes in the financial position, creditworthiness or solvency of BPI customers, debtors or counterparties.
- Statements as to historical performance or financial accretion are not intended to mean that future performance or future earnings for any period will necessarily match or exceed those of any prior year. Nothing in this presentation should be construed as a profit forecast. In addition, it should be noted that although this presentation has been prepared based on accounting registers kept by BPI and by the rest of the Group companies it may contain certain adjustments and reclassifications in order to harmonize the accounting principles and criteria followed by such companies with those followed by BPI.
- In particular, regarding the data provided by third parties, BPI does not guarantee that these contents are exact, accurate, comprehensive or complete, nor it is obliged to keep them updated, nor to correct them in the case that any deficiency, error or omission were to be detected. Moreover, in reproducing these contents by any means, BPI may introduce any changes it deems suitable, may omit partially or completely any of the elements of this document, and in case of any deviation between such a version and this one, BPI assumes no liability for any discrepancy.
- In relation to Alternative Performance Measures (APMs) as defined in the guidelines on Alternative Performance Measures issued by the European Securities and Markets Authority on 5 October 2015 (ESMA/2015/1415), this report uses certain APMs, which have not been audited, for a better understanding of the company's financial performance. These measures are considered additional disclosures and in no case replace the financial information prepared under the International Financial Reporting Standards (IFRS). Moreover, the way the Group defines and calculates these measures may differ to the way similar measures are calculated by other companies. Accordingly, they may not be comparable. Please refer to the Annexes section for a list of the APMs used along with the relevant reconciliation between certain indicators.
- This document has not been submitted to the Comissão do Mercado de Valores Mobiliários (CMVM) (Autoridade Portuguesa do Mercado de Capitais) for review or for approval. Its content is regulated by the Portuguese law applicable at the date hereto, and it is not addressed to any person or any legal entity located in any other jurisdiction. For this reason it may not necessarily comply with the prevailing norms or legal requisites as required in other jurisdictions.
- Notwithstanding any legal requirements, or any limitations imposed by BPI which may be applicable, permission is hereby expressly refused for any type of use or exploitation of the content of this presentation, and for any use of the signs, trademarks and logotypes contained herein. This prohibition extends to any kind of reproduction, distribution, transmission to third parties, public communication or conversion by any other mean, for commercial purposes, without the previous express consent of BPI and/or other respective proprietary title holders. Any failure to observe this restriction may constitute a legal offence which may be sanctioned by the prevailing laws in such cases.

ALTERNATIVE PERFORMANCE MEASURES

Reconciliation of the profit & loss account structure

- The European Securities and Markets Authority (ESMA) published on 5th October 2015 a set of **guidelines relating to the disclosure of Alternative Performance Measures** by entities (ESMA/2015/1415). These guidelines are mandatory to issuers with effect from 3rd July 2016.
- In addition to the financial information prepared in accordance with the International Financial Reporting Standards (IFRS), **BPI uses a set of indicators for the analysis of performance and financial position, which are classified as Alternative Performance Measures**, in accordance with the abovementioned ESMA guidelines. The information relating to those indicators has already been object of disclosure, as required by ESMA guidelines.
- In the current presentation, the information previously disclosed is included by way of cross-reference and a **summarized list of the Alternative Performance Measures** is presented next.

The following table shows the reconciliation of the structure used in this document (Results' Presentation) with the structure adopted in the financial statements and respective notes of the Report and Accounts.
